From: Terry Rhode **Re:** E-Billing options

Through continued investment in technology to make our services more efficient, Rosenau Transport Ltd. has successfully implemented E-billing options for invoicing. We would like to send you invoices by e-mail. If you would like your invoices sent to you by E-Billing we can attach images of your original Bill of Lading and/or an original Proof of Delivery with each of your invoices.

We can also send you a flat file including any information on your invoices for the billing period. This flat file can be configured in numerous ways to be imported into Excel or your A/P system so you do not have to manually enter them.

Please fill in the form below to sign up for E-Billing.
